Jim Reeves Distant Drums Lyrics

[Send "Distant Drums" Ringtone to your Cell](#)

Songwriters: Walker, Cindy

I hear the sound of distant drums

Far away, far away

And if they call for me to come

Then I must go and you must stay

So Mary marry me, let's not wait

Let's share all the time we can before it's too late

Love me now for now is all the time there may be

If you love me Mary, Mary marry me

I hear the sound of bugles blow

Far away, far away

And if they call, then I must go

Across the sea, so wild and grey.

So Mary marry me, let's not wait

For the distant drums might change our wedding date

And love me now, for now is all the time there may be

If you love me Mary, Mary marry me

Já znám ten hlas,
co v dáli zní,
vzdálený, vzdálený.

Jen poslouchej,
nedá mi spát,
musím už jít,
nesmíš se bát.

Buď šťastná lásco má,
nezoufej,
dneska svatební si píseň
zahrát dej.

Nemusíš mi zůstat věrná,
já dobře vím,
že se do náruče tvé
už nevrátím.

Já znám ten hlas,
co v dáli zní,
vzdálený, vzdálený.

Vzpomínky své,
ty smím si vzít
a víc už nic,
pak jít je líp.

Buď šťastná lásco má,
nezoufej,
dneska svatební nám píseň
zahrát dej.

Nemusíš mi zůstat věrná
já dobře vím,
že se do náruče tvé
už nevrátím.

Blizzard

There's a blizzard comin' on and I'm wishin' I was home
For my pony's lame and he can't hardly stand
Lord my hands feel like they're froze and there's a numbness in my toes
But it's only seven miles to Mary Anne it's only seven miles to Mary Anne

You can bet we're on her mind for it's nearly supertime
And I bet there's hot biscuits in the pan
Listen to that northern sigh if we don't get home we'll die
But it's only five more miles to M. A. it's only five more miles to M.A.

That wind's howlin' and it seems mighty like a woman's screams
And we'd best be movin' faster if we can
Dan just think about that barn with that hay so soft and warm
It's only three more miles to Mary Anne it's only three more miles to M.A.

Dan get up your ornery cuss or you'll be the death of us
I'm so weary but I'll help you if I can
All right Dan perhaps it's best we'll just stop awhile and rest
It's still another mile to Mary Anne it's still another mile to Mary Anne

Late that night the storm was gone and they found him there at dawn
He'd've made it but he just couldn't leave ol' Dan
Yes they found him out there on the plains his hands froze to the reins
He was just a hundred yards from Mary Anne
He was just a hundred yards from Mary Anne
